Letter No. 458 / 12-1

Ramnagar, Dated : 15<sup>th</sup> August, 2021

### Letter of Appreciation

In September 2019, Corbett Tiger Reserve embarked on an initiative to have its first official Coffee Table Book as a humble attempt at bringing to light the serene beauty of the majestic landscapes, splendor of nature and the rich and diverse species of wildlife, flora, and fauna of Corbett Tiger Reserve to have a book which would be a visual treat for nature lovers and wildlife enthusiast too.

Prof. Jitender Govindani volunteered to be part of this initiative on purely no cost basis. Based on his previous experience in bringing out a Coffee Table Book for Kanha Tiger Reserve, Prof. Jitender Govindani became a part of the team to do a Coffee Table Book for Corbett, with a clear agreement that it should be a one of kind, collector item book of international standard. The book has been success in showcasing the un-parallel beauty and the wildlife diversity of Corbett Tiger Reserve and got great reviews from the readers.

I express my gratitude to Prof. Jitender Govindani for working tirelessly around the clock for over 7 months in the entire process from conceptualization till giving the book a desired shape including compiling photographs, facilitating design & print and being on field to click some exclusive pictures which were used in the book. His professional approach right from start to finish helped us to bring out to one of the best books in the time frame which we planned for. I cannot thank him enough for helping us in our effort for the book.

The book not only brought lots of joy & happiness to the people who read it around the world but also helping us in generating funds from the sale of this book, which were used for the noble cause of welfare of the foot soldiers & their family. This book could not have been possible without the unflinching dedication and relentless efforts of Prof. Jitender Govindani.

I wish him in loads of success in his future endeavors.

Director,  
Corbett Tiger Reserve,  
Ramnagar (Nainital)
